Office Hall Stuff Kit

Nitrous Butterfly
http://www.nitrousbutterfly.com

Description

The Office Hall Stuff Kit is a collection of 22 ready to use prefabs for use in your office or any other modern level. This stuff pack is scaled to work nicely with the Office Level Kit package, but can be easily used for any game project.
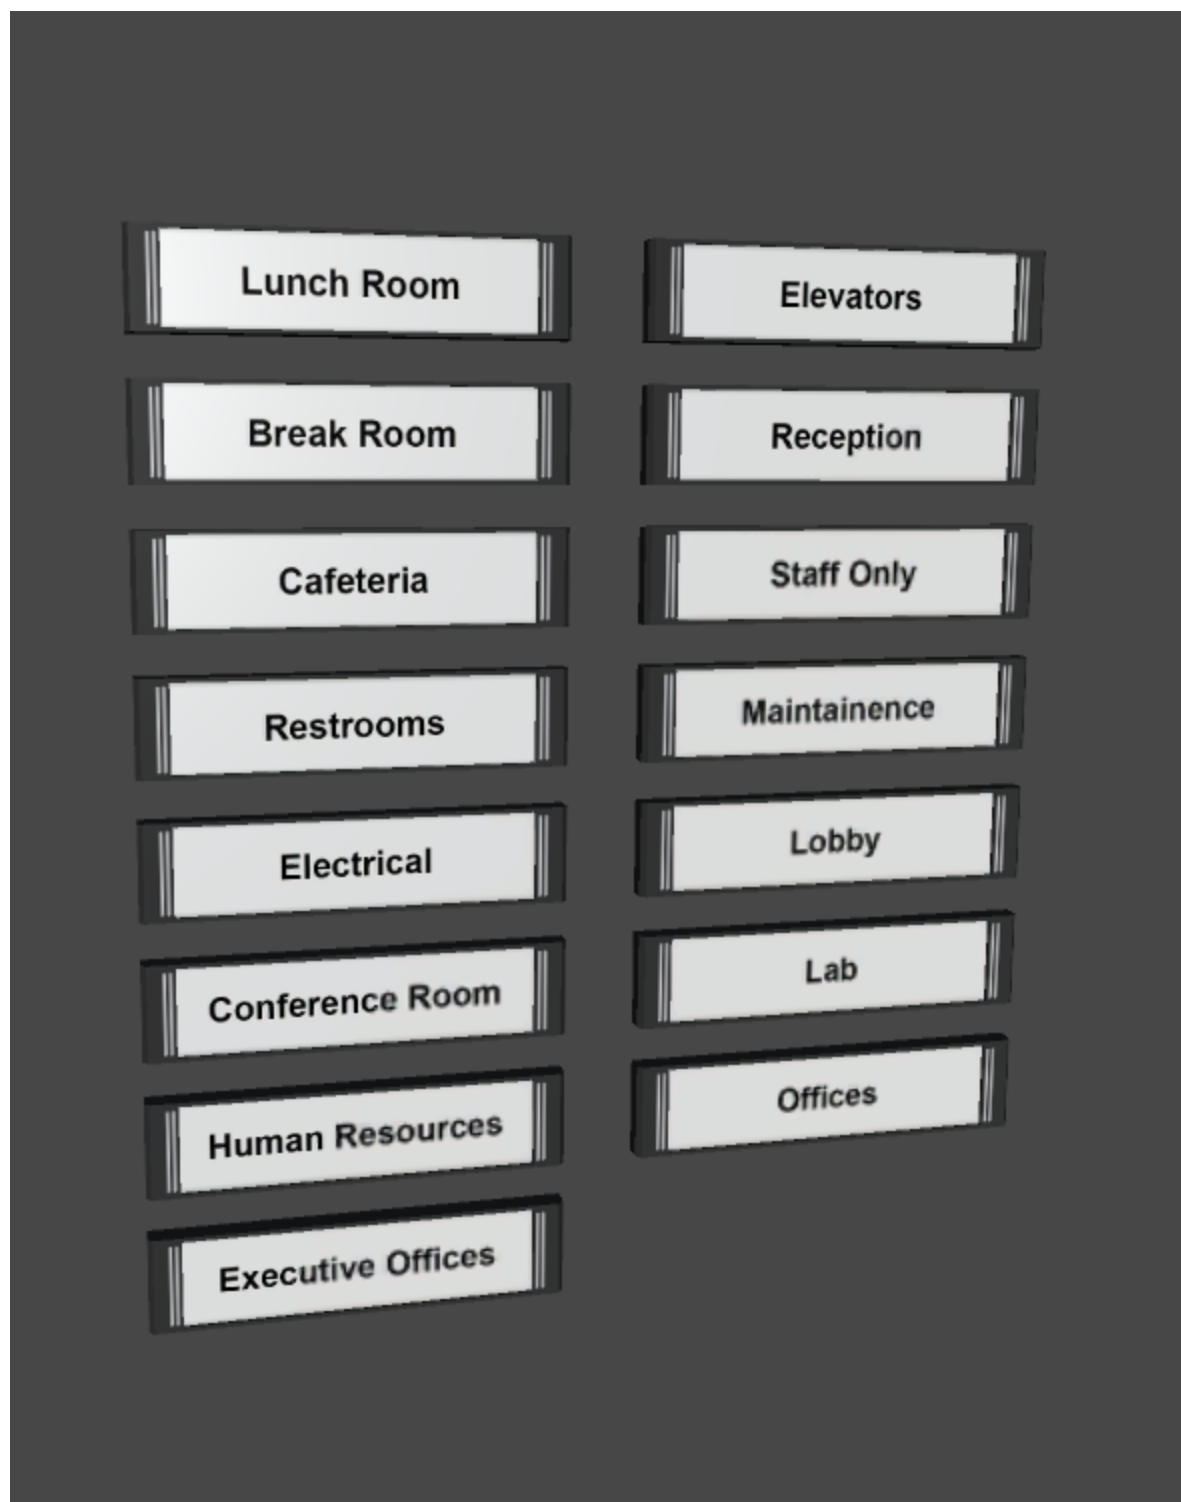

Most textures are 1024x1024 and include specular and normal maps. All diffuse textures are in photoshop (.psd) format and include UVW layer.

Pieces
